THE NHJC IS PROUD TO BE
AFFILIATED WITH:

FROM THE PRESIDENT

There's so much on for the NHJC in the coming months! On April 18 we are teaming up with Forsythes for our annual Charity Golf Day. This event offers a great social networking opportunity and will also help raise money for our two affiliated charities, Pulse and the Hunter Breast Cancer Foundation.

The following week we have our April Dinner Forum on April 24 with guest speaker Josie McManus, celebrity stylist and resident image consultant for Westfield. Don't miss out on hearing all about her online business, pick up some winter fashion tips and ideas for your wardrobe essentials this season. The first 40 people to register for the April dinner forum will receive a free What's What fashion bag, so don't delay!

We're hitting the road in May and will once again participate in the Lovedale

Long Lunch, so stay tuned for more details.

I look forward to see you at one of these great events soon.

NHJC Forsythes Charity Golf Day

The NHJC and Forsythes have joined forces to support two local charities and provide a social networking opportunity for young business people in Newcastle and the Hunter. Join us at Pacific Dunes, a world-class 18 hole golf course, on April 18 for a great social networking opportunity as well as some fun.

Everyone who wishes to attend is required to register as a player, and we're giving organisations the added option of taking up sponsorship if they wish. You can register for four players and be grouped together or register for yourself and we can add you with a team.

But what if you don't play golf? No problem, we're making the day as fun and accessible as possible. The event is a four person ambrose which means each person in the team tees off and the best shot is used as the position for the next shot.

Following a great afternoon of golf, join us for networking, drinks, finger food and the prize presentation. \$67 for members and \$77 for non-members. Visit www.nhjc.com.au for more information or contact mail@nhjc.com.au.
